# EXPANDED FUNCTIONS UPDATE

**CDR Tim Neumann, DC, USN**
**NDC Southwest**
**DSN 526-9942**

# CURRENT TRAINED TEAMS

- BDC San Diego – 2+*
- BDC North Island – 1
- BDC NAB - 1
- BDC LeMoore – 1
- BDC MCRD*
  - 10 DOs, 20 Techs

# TRAINING

- Last training held 7-18 April 2003
- 3 Dentists and 8 Technicians trained
- Next course scheduled in Oct/Nov 2003 time frame

# LESSONS LEARNED

- 4 teams per class is maximum
  - Equipment, space, and staff limits
  - Need adequate one-on-one teaching

- Clinical portion difficult to reliably supply patients at BDC San Diego
  - Too many cancellations/failures
  - Difficult to control type of restorations presented

# LESSONS LEARNED

- MCRD may be better a better alternative for clinical portion
  - Patient population more reliable
  - Junior technicians more comfortable treating Recruits
  - Several EF Technicians to mentor students
  - Comparison of courses showed students completed twice the number of restorations at MCRD

# OTHER COMMAND TEAMS

- BDC North Island –
  - LCDR Hartzell team leader
  - 2 Days per week

- BDA NAB –
  - LT Bowden team leader
  - No EF/MC the past month
    - Personnel shortages

# OTHER COMMAND TEAMS

- BDC LeMoore
  - LT Kaufmann team leader
  - ½ day per week
- BDC Ventura County
  - Will send team to next training

# TROUBLESHOOTING

- Personnel shortages
  - Practice manager time split
  - Teams short of prescribed ratio
- Scheduling
  - Electronic scheduler helping
  - Printout not chronological order
  - Getting the “right” patients

# LOOKING AHEAD

- Continue training as needed
- Look at distribution throughout branch clinics
- Project losses/replacement
- Work with scheduling to fine tune patient selection
